COMMENTS: He was not instructed to complete the 2019 annual report until after he filed the 30-P report that was due at the beginning of March. The annual report was completed within the same day he was contacted about his previous report being incorrect. The reason it was incorrect is because it included all the information for the 2019 annual report. Prior to the due date for this report, COVID numbers began to rise. Restrictions were being put up for businesses in Louisiana. His business, the Fleur De Lis Event Center, was shut down for 4 months due to restrictions Louisiana was put under. He was forced to figure out how to pay bills and his loyal employees without any income for his business.

To whom it may concern,

This letter serves as a request for reconsideration of the late fee for the 2019 Annual Campaign Finance Disclosure Report. I did my best to follow the due dates given to me during my qualifying time. I logged reminders in from the report due by date in my calendar. However, I was not instructed to complete the 2019 annual report until after I filed a report that was due at the beginning of March. The annual report was completed within the same day I was contacted about my previous report being incorrect. The reason it was incorrect is because it included all the information for the 2019 annual report. I was inexperienced in politics, as this is the first time being apart of one. I have attached a copy of the reporting and filing dates that were given to me. The report due date is a small sub-note written on the bottom of the page of when it is due, while all the other reports have their due date bolded.

Prior to the due date for this report, COVID numbers began to rise. Restrictions were being put up for businesses in Louisiana. My business, the Fleur De Lis Event Center, was shut down for 4 months due to restrictions Louisiana was put under. I was forced to figure out how to pay bills and my loyal employees without any income for my business.

In light of these facts, I request that you reconsider your decision about the fee for the late report.

I greatly appreciate you taking the time to read this and consider my request.

Respectfully,

Chad Bordelon

The information you provide will not be available to the public and only reviewed by the Ethics Board.
